CHAPTER _____

An act to amend Sections 1189 and 1195 of the Civil Code, and to amend Section 8202 of the Government Code, relating to notaries public.

LEGISLATIVE COUNSEL'S DIGEST

SB 1050, Monning. Notaries public: verification of identity: notice.

Existing law provides for the appointment and commission of notaries public by the Secretary of State. Existing law authorizes a notary public to execute a certificate of acknowledgment or proof of execution of an instrument, or a jurat attached to a sworn affidavit. Existing law requires a certificate of acknowledgment, proof of execution, and jurat to be in a specified form.

This bill would require a legible notice to be included in those documents in an enclosed box, as specified, stating that the acknowledgment, proof of execution, or jurat verifies only the identity of the individual who signed the document to which the acknowledgment, proof of execution, or jurat is attached, and not the truthfulness, accuracy, or validity of the document.

The people of the State of California do enact as follows:

SECTION 1. Section 1189 of the Civil Code is amended to read:

1189. (a) (1) Any certificate of acknowledgment taken within this state shall include a notice at the top of the certificate of acknowledgment in an enclosed box stating: "A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document." This notice shall be legible.

(2) The physical format of the boxed notice at the top of the certificate of acknowledgment required pursuant to paragraph (3) is an example, for purposes of illustration and not limitation, of the physical format of a boxed notice fulfilling the requirements of paragraph (1).

(3) A certificate of acknowledgment taken within this state shall be in the following form:

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.
